

80 Diapers' Pancake Day Crepes

2 eggs

1 c flour

1 c milk

1/4 t salt

2 T melted butter

Mix all thoroughly (we use the blender) and pour about 1/3 c into medium pan sprayed with cooking spray. You want just barely enough to cover the bottom of the pan. Tilt and swirl pan to spread batter evenly over bottom of pan.

Cook over medium-high heat till dry on the bottom, about 2 minutes, flip to other side (we use a plate--Ayi just flipped. Magical.) Cook till finished.

Serve with butter, whipped cream, fruit, powdered sugar, or if you want to be really authentic, golden syrup. Good luck finding golden syrup in America. Seriously.
